Dragons, Magic, and an **ALL NEW ADVENTURE!**

SITTING UPRIGHT IN BED, EMILY SHOOK WITH FEAR...
SHE'D HAD A TERRIBLE NIGHTMARE ABOUT ELVENDALE!

"I SAW RAGANA, THE FORMER FIRE ELF, DRAG THE QUEEN
DRAGON ELANDRA AWAY FROM HER NEST AND EGGS..."

"... I GRABBED FOUR EGGS BEFORE RAGANA TOOK THEM...
WE HAVE TO PROTECT THEM!"

Emily Jones returns to Elvendale for a thrilling new adventure!

Emily tossed and turned in bed. It was a few months since she had returned home after her adventure in Elvendale. Sitting upright, Emily shook with fear... she'd had a terrible nightmare about Elvendale! Something was wrong and she had to help!

Rushing back through the portal, Emily quickly found her four Elven friends, Azari, Farran, Aira, and Naida.

"Emily! Thank goodness you're back!" Naida wrapped her arms around Emily in a warm hug.

"We missed you, Em!" Azari grinned.

"I missed you too," Emily admitted. "I had a horrible dream about Elvendale... there was a witch, and dragons, and –"

"It's true, Emily!" Naida exclaimed. "I saw Ragana, the former Fire Elf, drag the Queen Dragon Elandra away from her nest and eggs! I didn't have time to think; I grabbed four eggs before Ragana took them...we have to protect them!"

Azari chimed in, "Then let's go save the Queen Dragon! I'm not scared of Ragana!"

"Careful, Azari," Farran warned. "Ever since Ragana drank from the Shadow Fountain, her magic has become evil and strong...we need a plan first!"

"And I know just who can help us with our plan!" Aira pointed to the sky. "We've got to go to the Elvendale School of Dragons!"

When Emily and her friends reached the Dragon School, the entire place was almost deserted. Tidus the Dragon Trainer and Miku the baby dragon were the only ones left.

"Greetings! My name is Tidus and I'm a dragon trainer." Tidus warmly invited Emily and the Elves inside.

"Tidus, we need your help!" Emily began. "Ragana has captured the Queen Dragon Elandra! Naida was able to save four dragon eggs, but now we don't know what to do!"

Tidus shook his head sadly. "Baby dragons won't live long without their mother. You need to rescue Elandra before it's too late."

Farran touched the dragon trainer's shoulder. "How do we do that? We don't even know where to start!"

Tidus nodded. "My friend Sira the Sky Captain and I will help you. We'll meet her at the Secret Market Place tonight!"

After reaching the Secret Market Place, Sira Copperbranch the Sky Captain used her powers as an Earth Elf to help Emily and her friends find the Book of Dragons. Inside, Emily found another riddle:

The book described a Dragon Sanctuary in the Shadowlands and the magic they would face on their way... Worried about the four eggs needing their mother, the group quickly gathered supplies and set off for the Shadowlands.

Just as the book predicted, danger and magic awaited them around every corner! As they crossed the bridge into the Shadowlands, suddenly a vicious fire dragon attacked! Azari and Farran were trying to subdue it when Emily noticed a strange mask around the dragon's eyes.

Running to her friend, Emily called, "Naida!"

Springing to action, Naida was by Emily's side in a moment. "What's wrong, Emily?"

"Can you use your powers to get me closer to the dragon?" Emily asked.

Naida nodded, "I'll do my best!" Gathering water from a nearby stream, she formed a protective sphere of water around Emily.

Dodging the fiery attacks from the dragon, Emily managed to get close enough to rip off the mask. With Ragana's evil spell lifted, the fierce and scary fire dragon turned into the happy and bubbly dragon named Zonya, and joined them on their quest!

As Emily and her friends met more dragons along the way, slowly Zonya and the other dragons began to trust Emily and the Elves more. Not all elves were like Ragana! United in the cause to protect and save Elvendale, Emily, the Elves, and the dragons finally reached Ragana's Magic Shadow Castle.

Before Emily and her friends could save the Queen Dragon, it was time for the ultimate showdown with the Elvish witch Ragana! The four Elves united their magic, but were still powerless against Ragana's stronger magic! Even though she was completely outnumbered by dragons and elves, Ragana's power was still too strong!

How will Emily and her friends defeat Ragana, and how can they restore peace and harmony between dragons and elves? The story continues...

EYES *on the* PRIZE!

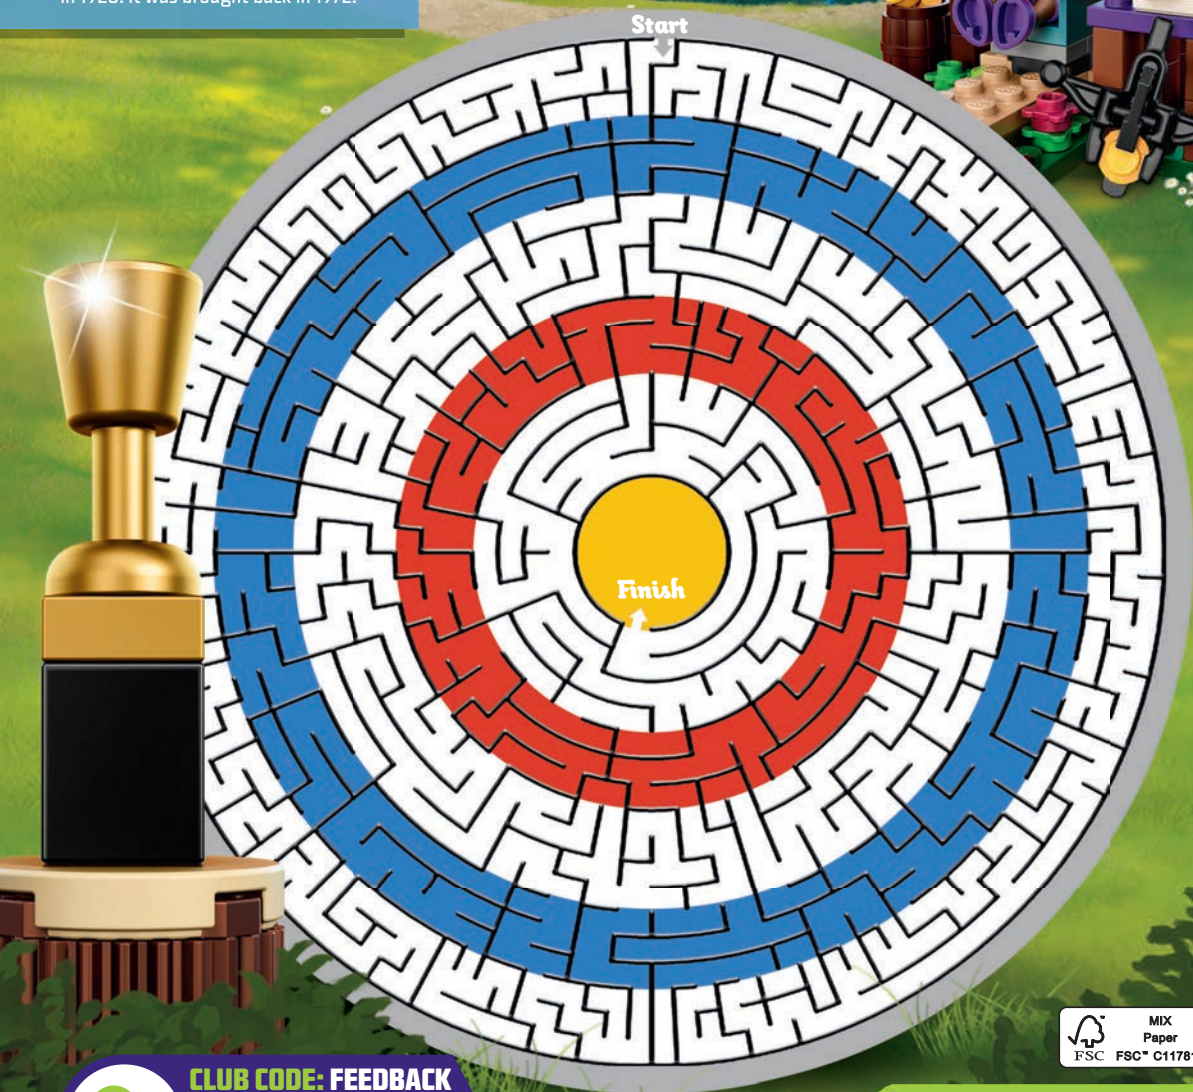

Mia is ready to compete at Adventure Camp and win the prize in archery. With lots of practice and great tips from her friends, she's sure to hit the bulls-eye and take home the trophy! Aim true and hit the target like Mia!

FUN FACTS!

Did you know that humans have been using the bow and arrow for 25,000 years?

On average, an arrow shot from a bow travels around 149 miles per hour!

Archery first became an Olympic sport in 1900, but the competition was stopped in 1920. It was brought back in 1972.
